

Volunteer of the Month

Morgan Prater is our Volunteer of the Month. Morgan is a junior intern who shares her time with us when she is out of school. Morgan's smile and warmth create a welcoming atmosphere for all who enter our ministry. Morgan, thank you for your presence, you are a difference maker!

MAY LITERACY WINDOW

Maybe is a children's book that celebrates the endless potential and possibilities within every individual, encouraging readers to embrace their uniqueness and the magical things they can become. *Maybe* follows a character who imagines and creates wonderful things, serving as a heartwarming and inspirational story for all ages about self-belief and the power of "maybe". It's often recommended as a gift and a conversation starter about purpose and dreams.

Director's Corner

How can it already be May? The year is moving swiftly and soon, a new class of graduates will be exiting our high schools, and a new class will enter as freshmen. We honor those who are graduating and pray for The Lord to protect them and to direct their paths as they begin their next journey.

We will begin the planning phase of our summer feeding programs and thank you, Campobello First Baptist Church for partnering with us to make this possible. Please join us praying for the food needs to be met so we can provide food security for children in the Landrum and Campobello communities.

Our GED program will end May 22nd, and we are so proud of the two who earned their GED. We will start classes back in September. If you are interested, please call 864-457-2812 ext. 101.

Thank you for your continued support of Operation Hope, may peace and grace be your constant companion.

Sincerely,
Dr. Tonya Stone
Executive Director
